## Re: OC Orientation

Dear Parents,

Congratulations on the selection of your child for an OC program at North Rocks Public School for 2010-2011.

An Orientation Morning is offered to students (and their parents) who will be attending the school next year. The Orientation Morning will be held on Thursday, 10 December from 9.00am-11.00am in the school hall. Students will meet their teacher and classmates whilst parents will have the opportunity to gather information, purchase school uniforms and begin enrolment procedures. Transport forms will be available for parents whose children will require either bus or train passes.

There is no parking at the front of the school. Entry to the school is best achieved via Tiernan Ave where parking is available in the Don Moore Reserve car park adjacent to the rear of the school.

We look forward to seeing everyone at the Orientation Morning to help ease the children into a new and challenging learning environment.

Please confirm your attendance by phone on 9871 1772.

Yours sincerely,

*Peter Harker*
