Welcome!
Welcome to the first dedicated fete newsletter that will be coming to an inbox near you on a fortnightly basis. We aim to keep you informed, keep you involved and hopefully keep you excited about this phenomenal event on 30 August!

The rides are booked, prizes are being collected and preparations are well underway to make this the premier event on the North Rocks Public School calendar (and yours as well!) We welcome ideas, suggestions and feedback, and encourage you all to attend the meetings held in the school staffroom every fortnight. If you can’t make it but still want to be involved - please feel free to email: nrpsfete@gmail.com or leave a message on our Facebook page!

Next Meeting
The next fete meeting will be held on Tuesday 20 May at 6.30 pm in the school staff room. This meeting will lead straight into the P&C meeting at 7.30 pm, and of course, all are welcome

Volunteers Wanted!
Now is the time to start thinking about how you would like to help support this fantastic event for our school. We are looking for volunteers in so many areas, there is bound to be one that you like. We will need help from now until the big day in areas such as: promotions and publicity, sponsorship, food preparation, donations, security, set up and pull down and of course helping out on a variety of stalls on the day.

Please email: nrpsfete@gmail.com if you would like more information or if you’re ready to raise your hand. This is a community event for our school so the more we all get involved, the more fun it’s going to be!

Yarn Bombing in North Rocks
It’s a great start – the first hand knitted scarves have been dropped off at school by a small but conscientious group of Mums and Grandmothers. We want to draw attention to the school by making our trees the biggest and brightest in the neighbourhood! The only ‘rule’ is to keep them at a width of 15cm, but even that has some flexibility.

A big thank you to Kim Silver who has 8 metres done and is showing no signs of slowing down! It looks like she’ll have her own tree at this rate!
