CALLING ALL KNITTERS
WE WANT YOU!!!

As part of the plan to decorate the school for the Fete on August 30th, we want to “yarn bomb” a few trees at the front of the school.

Can you knit?

We would like as many lengths of knitted scarves as possible that are 15cm wide and as long as you can get!

Can’t knit?

If you have any spare wool or yarn or know someone who does, donations would be great so that our knitters have something to work with!

We’re going to need a lot of scarves to make our trees spectacular so get knitting!!

All scarves and knitted pieces may be left at the office once completed.

If you need wool, please check in and see what we have.

Please complete your scarves by no later than 31 July

Thank you for your support!
